## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

### Identification:

The product shall be permanently and legibly marked with the Manufacturer's name or trademark or, in the case of private labeling, the name of the customer for whom the fixture was manufactured. Product shall bear the IAPMO® triangular certification mark. Markings shall be visible after installation.

Fixtures that require proprietary (i.e., non-standard) components, e.g., supply or waste fittings, shall indicate, in the packaging or the accompanying literature, that such components are provided by the manufacturer and shall identify the proper replacement parts.

Fixtures that do not comply with one or more of the dimensional requirements of this Standard shall be marked with an "N" to indicate the non-standard nature of the fixture.

Bathtub and shower bases that use field-installed flanges shall have a non-permanent label stating "Do not install this fixture against a wall unless the appropriate flange is first installed". Flange kits shall include installation instructions.

Packaging shall include the following markings: manufacturer's name or trademark or, in the case of private labeling the name of the customer for whom the fixture was manufactured, and model number of the product.

### Characteristics:

Terrazzo, Concrete, and Natural Stone plumbing fixtures to be installed in accordance with the supplied manufacturer's instructions.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
